**Elfriede Moller : Shibori: The Art of Fabric Folding, Pleating and Dyeing** before purchasing it in order to gage whether or not it would be worth my time, and all praised Shibori: The Art of Fabric Folding, Pleating and Dyeing:

39 of 39 people found the following review helpful. Worthwhile though not exhaustiveBy PaulaSomeone who wanted a strong and exhaustive overview of ofshibori told me that he was disappointed by this book, as it is fairlylimited in scope. However, I enjoyed the book very much for what it is. It includes a number of lovely examples of things that are possible with shibori. You will need another book to tell you about the dyes themselves, but most people interested in this book will already have at least one such dyers' book already. This book is well worth its relatively modest price.2 of 2 people found the following review helpful. Great bookBy D. pletzI really enjoyed this book. It was well explained and had beautiful pictures to show final products.1 of 2 people found the following review helpful. Three StarsBy Nina23I was disappointed with what I could learn from this book.

Pleated, twisted and folded fabrics are dyed to create vibrant patterns using the traditional Japanese technique of shibori. This book presents step-by-step instructions for using shibori.'
