**Scott David Plumlee : Silver Soldering Simplified: A New Jewelry Technique You Can Do at Home** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Silver Soldering Simplified: A New Jewelry Technique You Can Do at Home:

3 of 3 people found the following review helpful. Great explanatory graphics By grandmaboxes Like all of Plumlee's books, this one has great graphics! The graphics are exceptionally helpful as you follow his techniques. Superb book. 1 of 1 people found the following review helpful. It is what the name implies. It does not ... By Karen It is what the name implies. It does not cover the more advanced acetylene torch soldering which I was looking for. 2 of 2 people found the following review helpful. soldering simplified By Susan Muller the projects in the book look not too complicated and as I am new to this technique this is a book that will teach me

Popular jewelry designer and instructor Scott David Plumlee shows readers how to create 24 intricate-looking earrings, bracelets, and necklaces at home with a new quick and easy soldering technique. An innovative new material

is turning traditional soldering upside down. Scott David Plumlee, author of *Handcrafting Chain and Bead Jewelry*, teaches jewelry makers how to use a revolutionary new soldering paste and a small hand-held butane torch to create a range of seemingly complex but easily doable chain and bead designs at their kitchen table--no elaborate, expensive studio required. Scott's ingenious methods, clear instruction, and inspiring designs will give any aspiring jewelry maker the confidence to master this formerly intimidating technique.

About the Author SCOTT DAVID PLUMLEE has been making jewelry for over a decade and has led more than 150 workshops on chain jewelry at crafts venues nationwide. A world traveler and jack-of-all-trades, Scott has studied ancient cultures and craft designs all over the world. His work has been featured in *Bead Button*, *Wirework*, and *Art Jewelry* magazines, and can be seen at [www.davidchain.com](http://www.davidchain.com). He is the author of *Handcrafting Chain and Bead Jewelry*, *Chain and Bead Jewelry Creative Connections*, and *Chain and Bead Jewelry Geometric Connections*. His studio is based in Taos, New Mexico.
