Enjoy the charm of painted glass by starting with small, everyday objects like jars, glasses, vases, tumblers, and bottles. Then transform them into magical gifts and decorative items, including a Seafarer's Lantern, Summer Fruit Julep Decanters, Celtic Drinking Cups, Floral Vases and Flasks -- 25 easy projects in all. Each aspect of glass painting is clearly explained, from sourcing of glass and materials to paint effects, stenciling, transferring designs, and coping with awkward shapes.
