**Robert Schleicher : Slot Car Bible** before purchasing it in order to gage whether or not it would be worth my time, and all praised Slot Car Bible:

0 of 0 people found the following review helpful. Perfect for Any Slot Car EnthusiastBy Alice CeballosWe looked everywhere for this book as someone had suggested it for my husband to purchase. We finally started looking online as none of the big name bookstores carried it nor could get it.This book is a great resource for anyone who is interested in HO Slot Cars in any manner. This has been a hobby of my hsuband's since he was a child and all of my children have grown up collecting and playing slotcars.This book has information of customizing tracks, fixing cars and so much more. I do wish the pictures would have been color instead of black and white. The pages however are thick and the book in a nice collector book. I try to keep in in mint condition as it is also a collectible for u.s.0 of 0 people found the following review helpful. Four StarsBy nully6ngreat item0 of 0 people found the following review helpful. Five

StarsBy janthomas0Great book, good quality and fast delivery

This sensational slot car salute presents a wealth of information on beginning and advanced techniques for collecting, building, tuning, and duplicating the amazing little cars that were at the peak of their popularity in the 1960s and '70s. All the rage among youngsters and adults alike, slot cars and track layouts, from the simplest to the most elaborate, are featured here in photographs that vividly recount the enthusiasm surrounding this popular hobby.

About the Author Robert Schleicher is a veteran hobby industry writer with dozens of books to his credit. His MBI titles include The Big Book of Lionel, The Lionel FasTrack Book, and The Lionel Legend, among others. He lives in Niwot, Colorado.
