Tara Lynn Darr : Small Treasures from Scraps: More Simply Charming Quilts before purchasing it in order to gage whether or not it would be worth my time, and all praised Small Treasures from Scraps: More Simply Charming Quilts:

4 of 4 people found the following review helpful. Very nice book. Directions are concise and clearBy SandraVery nice book. Directions are concise and clear. Page quality is very good with very clear pictures. You can see all fabric used and quilting lines. Kansas City Star prints in America, and it does make a difference in picture quality.1 of 1 people found the following review helpful. Small Treasures from Scraps: More Simply Charming QuiltsBy Sharon K. LozanoThis book filled me with more small quilts. There are some very easy ones and others you have to think a little. Nice book to have if you like mini quilts.1 of 1 people found the following review helpful. Small treasuresBy pitty -

patVery nice book Just as ordered would definitely suggest to my quilting friends and other interested in making small items

You will find the perfect project for every skill level in this fresh collection of 14 small quilts that help you make the most of your scraps. You can make most of the blocks with 5inch charm squares or smaller pieces of fabric.

About the AuthorTara Lynn Darr's passion for quilting was sparked in 1999, when a friend invited her to attend an international quilt show. Since then, quilting and crafting have opened many doors of opportunity. She now designs her own patterns, which are sold in quilt shops throughout the world. Tara's designs have also been published in American Patchwork and Quilting magazine.
