You can row a boat made of chili. You can enjoy an easy morning stroll among asparagus trees. You will be excited alongside the racetrack, which is actually the surface of a vinyl record. In this miniature world life looks ordinary yet from a different perspective. Since then more than 2,000 images have been posted on his website, and he now has 720,000+ followers on Instagram and gets 120,000+ likes on Facebook. In this book you can find more than 100 works created by utilizing everyday objects, tiny figures, and an immense amount of imagination.
