**Dianne Durand : Smocking: Technique, Projects and Designs (Dover Needlework)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Smocking: Technique, Projects and Designs (Dover Needlework):

0 of 0 people found the following review helpful. Five StarsBy lauraJust as advertised and arrived in a week0 of 0 people found the following review helpful. Smocking: Technique, Projects and DesignsBy Bookworm from MissouriThe description of this book was not clear when I purchased it. I thought it was a pattern and had no idea it was a book of ideas and many smocking patterns. I love this book. It is so full of great smocking patterns and ideas. A very pleasant surprise. I am already using one of the patterns to make some smocked baby bonnets. Love it!0 of 0 people found the following review helpful. good book.By Sabriana Williamsa lot of new techniques i have never learned. good book.

Complete instructions, clear diagrams show you various ways to smock including basic stitches and diverse patterns. Ms. Durand provides easy directions for making over 10 beautifully smocked articles: Smocked Pillow, Mother/Daughter Sun Dresses, Boy/ Girl Bib Front Outfits, much more. 125 illustrations including 24 in full color on covers.
