Amoret Scott : Smoking Antiques (Shire Album) before purchasing it in order to gage whether or not it would be worth my time, and all praised Smoking Antiques (Shire Album):

Different methods of taking tobacco have come into and gone out of fashion and as a result an enormous range of objects connected with smoking and snuff taking has been produced, much of it of great potential appeal to the present-day collector. In this book the authors examine these and other smoking antiques, including printed ephemera, from

the collector's point of view and provide the historical background of smoking. See also the Shire Album Snuff
