Soap to profitBy RobertoAs a homemaker I love this book, because I can make soap which I can sell and have extra profit for the family. All of the recipes here are already in the kitchen and healthy for the skin , the ingredients won't be hard to find and the instructions are very easy even a child can do this. I definitely recommend this one for moms out there and children who wants to have extra cash.1 of 1 people found the following review helpful. Soap can be fun!By Jeffrey LittornoI have to admit the only thing I know about making soap is that Granny onThe Beverly Hillbillies did it! That's why this book caught my interest.
