Bella Sherwood : Soap Making before purchasing it in order to gage whether or not it would be worth my time, and all praised Soap Making:

0 of 0 people found the following review helpful. The best guide!By Diego LopezAll in my family are in with this not so new natural tendency. We are trying to make our own soap since a few months ago. And with this brand new guide we can now solve some troubles that we was having with the quantities of vegetable oil and alkaline solutions that we are mixing, separate the soap of the molds and other problems that comes around when we try to make soaps with

others components as coffee, glycerin, oats, calendula and others. The kids love help us making soaps. They are so passionate with all the chemistry that's the process involve. In home we are all very happy, all the family love the soaps that we make and with this new guide that is very easy to read and very explicative we gonna make the best soaps!!0 of 0 people found the following review helpful. ... this book because I saw it was a very good deal and I could not pass upBy JULIDE FLORES CUELLOI must confess that I bought this book because I saw it was a very good deal and I could not pass up, but now that I read it seemed pretty interesting. It is a step by step manual for making soap at home, is a very funny art because you can do from soaps for cleaning up soaps, recipes with exact steps that you must use the ingredients colors and scents that you can add to that stay with a delicious smell. You can surprise your friends with custom designs or you can also sell them. If you use the right ingredients are in excellent quality. And the best part is they are handmade. Let!, cheer to make your own soap!!!0 of 0 people found the following review helpful. Excellent book! well doneBy FabiolaI like the way the author writes step by step what we need to do to create our own soap, nothing better than having our own soap with the essence and texture you want. It is the best way to save some money, and be a little more self-sufficient. The scent on our skin has a very important role in our lives to be comfortable with ourselves, and with this technique we can find our own essence that best conform to our way of life! it is amazing. The book at all times gives you all the steps and precautions to take, something very important! Thanks to the author
