1 of 1 people found the following review helpful. Good read!By reviewerI was expecting some colorful photos on

each soap recipes, but found none. That could be much appealing seeing photos of the finished product. But nonetheless, the recipes are easy to follow and the ingredients come in handy. This could be a great personalised gift for friends and family. 0 of 0 people found the following review helpful. Great read By Jeffrey I bought this book to begin my journey into soap making. I know the authors easy to follow instructions will make it a breeze. The instructions are simple and straightforward. Ive been doing research on making my own soap and I'm going to give it a try.
