Catherine Jayne : Soy Candles: Soy Candle Making For Beginners! How To Make The Perfect Candles For Fun Income before purchasing it in order to gage whether or not it would be worth my time, and all praised Soy Candles: Soy Candle Making For Beginners! How To Make The Perfect Candles For Fun Income:

1 of 1 people found the following review helpful. Five StarsBy claudia wiedemannGreat book to start making candles...explains it in a easy way2 of 3 people found the following review helpful. Nothing learned, find better how-to's online!By josh k. edwardsPretty disappointed. First off, the book is small, the typeset is large, the pictures are few and a lot of information repeats. What does this mean? The 58 page book contains around 30 normal-sized pages of information. It's overly simple to the point of being barely helpful, it lacks many details that I already know (as a beginner) from online articles, and it has a ton of grammatical errors. Should have been proofread. The photos are black and white Shutterstock images. I read the whole thing in an hour and didn't learn anything that I hadn't already read online for free. Do your research via YouTube or freely posted information. Sorry, but this book isn't work \$2.

Soy Candles For Beginners! Learn How To Make The Perfect Candles For Fun Income Are You Ready To Learn ALL About Soy Candles? If So You've Come To The Right Place...
