Tony Koester : Space-Saving Industries for Your Layout (Model Railroader Books Layout Design and Planning) before purchasing it in order to gage whether or not it would be worth my time, and all praised Space-Saving Industries for Your Layout (Model Railroader Books Layout Design and Planning):

0 of 0 people found the following review helpful. Model Railroader SaviorBy Eric R. FoyMany thought provoking ideas and additions to my layout come from these books. I have based many scratch-built structures on those in the book.0 of 0 people found the following review helpful. ... an avid model railroader and he says it is great!By Jane FullerMy husband is an avid model railroader and he says it is great!0 of 0 people found the following review helpful. Time saving bookBy Harry J. Kubarekgreat book at a great price.

In this book by Tony Koester, *Space-Saving Industries for Your Layout* will inspire you to add small- to medium-sized industries and traffic to your layout.

About the Author Tony Koester has written 12 books focusing on his lifelong hobby of model railroading. He has been the editor of *Model Railroad Planning*, a special annual issue of *Model Railroader* magazine, since its inception in 1995. He is a contributing editor to *MR* and served as the editor of *Railroad Model Craftsman*. Tony is hard at work on a multi-deck HO railroad that accurately depicts the Nickel Plate Road's St. Louis Division as it appeared in 1954.
