**David A O'Leary : Special You: Like a snowflake (Volume 1)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Special You: Like a snowflake (Volume 1):

Special Like a Snowflake is the first in a series of Special You coloring books designed to foster confidence through creativity. Like every snowflake, each child and adult is unique and special in his or her own way. These 30-plus distinctive and original designs are ready for any colorist to make them unique with their own special coloring style and palette. Special Like a Snowflake starts off with simple snowflake designs, progressing to more complicated, re imagined snowflake patterns. Coloring has been shown to help calm and inspire children and adults alike, reducing stress, promoting creativity, and increasing focus. Each snowflake is printed on one page with a blank page behind, so

you can use any coloring tool, including colored pens and markers. So, let your creativity shine through!
