Karla Alexander : Stack, Shuffle, and Slide: A New Technique for Stack the Deck Quilts before purchasing it in order to gage whether or not it would be worth my time, and all praised Stack, Shuffle, and Slide: A New Technique for Stack the Deck Quilts:

16 of 17 people found the following review helpful. Bad instructionsBy Carolyn GriffithI eagerly anticipated this new book with a new technique. Unfortunately, the cutting instructions for the "Paint Chip" quilt were incorrect. I had to rearrange and try to have enough fabrics for the recommended layouts. Furthermore, the instructions did not produce the blocks that appeared in the illustrations either. I do not recommend this book unless readers want to struggle with the instructions.5 of 5 people found the following review helpful. Stack,Shuffle,SlideBy flyingpinwheelThere are some very nice patterns and ideas but this book is going to be tricky unless you have at least intermediate quilting

skills. Not for someone who wants to make a quick weekend quilt.0 of 0 people found the following review helpful.
Wonderful book, and the controlled slide she uses is ...By Lynn BI just didn't think she could get any better-- but she can, she did . More open space -- so appealing to modern quilters . Every quilt is different . So often books are just variations on a theme but lots of different ideas - straight piecing rather than her famous curves . She doesn't try to sell you a new ruler for each quilt . Where there are optical illusions she explains it so you can pick your fabrics .
Wonderful book , and the controlled slide she uses is a great technique for any scrappy quilt.

Karla Alexander has won fans around the world with her gorgeous quilts and innovative techniques. Now she takes a new approach to her popular stack-cut-and-shuffle ideawith amazing results.Control the color placement in your design by adding a new stepthe slideto Karla's stack-cut-and-shuffle methodBe inspired by Karla's use of colorfrom light and airy prints to batiks to bold, graphic fabricsand create quilts with a traditional or modern aestheticSelect from 15 creatively different designs that give everyone from beginners to seasoned quilters something fresh and new
