**Karla Alexander : Stack the Deck Revisited: Updated Patterns from Stack the Deck!** before purchasing it in order to gage whether or not it would be worth my time, and all praised Stack the Deck Revisited: Updated Patterns from Stack the Deck!:

0 of 0 people found the following review helpful. An interesting way to create quilt blocksBy Cathe OlinI used this book as part of a class to make a quilt. I am glad that I had an instructor who was familiar with the book and the techniques described.0 of 0 people found the following review helpful. Four StarsBy Kate McGreat quilt book for interesting and unusual quilts0 of 0 people found the following review helpful. More versions of Stack the Deck!!By DebbieWOW!! This will really come in handy when wanting something different and unusual for that perfect quilt top. Now my sister will have to borrow from Me. (I'm usually borrowing from her) Wonderful book, GREAT

Shipper!!! Received promptly. Would buy from again!

Thousands of quilters around the world have discovered Karla Alexander's Stack the Deck technique, and the overwhelming response is--they love it! In this volume, quilters will be thrilled to find much-loved patterns from her now-out-of-print first book, Stack the Deck! Each pattern has been remade in today's exciting fabrics, and several of the original designs have been modified slightly for a fresh new look. With these 11 fun projects, Karla opens up even more possibilities for her popular stack-slice-and-shuffle method.

About the Author Karla Alexander lives in Salem, Oregon, in a two-story 1950s house where her studio is just outside the breezeway. The household includes her husband, Don, and the studio dog, Lucy. Karla has written several books on the art of quilting. She also has a pattern line under the name Saginaw Street Quilts and she is a designer for Creative Grids Rulers. As the years have rolled by, she has watched, enjoyed, and been intrigued by the changes in the quilt industry and has always found her niche there, one way or another. Karla is fascinated and inspired by the patterns found in everyday life--baskets, freeways, the view from an airplane window, doorframes, you name it. The patterns she sees are often reinvented as quilts or provide the springboard for many of her designs. As a teacher, Karla enjoys immersing herself among her students, knowing there is a lot to be learned from each one of them as well.
