28 of 33 people found the following review helpful. Old and new coming nicely togetherBy eileen mcnultyThese projects are well graded for the beginner and the more advanced worker. The text and photographs are of a high quality, clear and not over wordy. Patterns are well crafted and will make good copies. Nice combination of traditional ways of working with more progressive ideas Easily understood for this beginner. I highly recommend this book to those looking for a bit of inspiration!
