Wendy Smedley : Start Scrapbooking: Your Essential Guide to Recording Memories before purchasing it in order to gage whether or not it would be worth my time, and all praised Start Scrapbooking: Your Essential Guide to Recording Memories:

4 of 4 people found the following review helpful. Basic How To ScrapbookBy LindaRGood How To guide for a first adventure into the world of scrapbooks. The content is clearly organized with excellent photographs and step-by-step information on different approaches to tackling a scrapbook page; questions to help think through the purpose of the scrapbook being created and the kinds of materials needed to get started, and potential pitfalls for beginners (ex. being overwhelmed by all of the available stickers, die-cuts, stamps, etc.). It's reassuring to have an advocate for keep it simple. I keep this book close at hand and continue to use it as a refresher. The included page maps have proved helpful.5 of 5 people found the following review helpful. Loved It.By T M ConnorsGreat basic book for getting started. I love the spiral binding, I can lay the book flat to refer to it and it stays at that page. It includes all the steps you need from getting the basic tools, how to choose colors, and designing layouts. If you are just starting out, this is

the book for you. 1 of 1 people found the following review helpful. Great Reference By Finnigan This is a great reference guide for scrapbookers. She explains the basics of scrapbooking, gives helpful resources, provides photos of scrapbook pages to explain her points, as well as the layouts of those pages.
