**Michael M McCombs : Steelhead Fly-Fishing for the Beginner** before purchasing it in order to gage whether or not it would be worth my time, and all praised Steelhead Fly-Fishing for the Beginner:

0 of 0 people found the following review helpful. Highly RecommendBy John AndreadisThis book is awesome! Great information, easy read and tells you exactly what you need to be successful in steelhead fly fishing. I definitely recommend this book to not only beginners, but anyone who likes fly fishing.

This book will give the fly fishing beginner the basic knowledge to catch steelhead trout. From equipment, materials, techniques, to basic simple strategies to help succeed in this endeavor. My hope is that anyone that sits down with this book and reads it can go out and immediately be successful in becoming a great steelhead fly fisherman.
