3 of 3 people found the following review helpful. This book is essential for beginnersBy A. DrakesThis book is better than I expected. I enjoyed reading about the history of mosaics and the detailed descriptions of equipment needed. There are many beautiful projects for beginners as well as for more experienced mosaic artists.1 of 1 people found the following review helpful. Four StarsBy betty juncosconcise and a good guide for beginners1 of 1 people found the following review helpful. Five StarsBy Marilyn K. LarsenGreat book with lots of help and hints.

A crafter's compendium of creative projects - making mosaics, decorating china and tiles, and painting glass, with practical ideas for the home and ornamental gifts.
