**Sheila Coulson, Tessa Brown : Stitch Stencil: Over 40 Easy Fabric-Based Projects** before purchasing it in order to gage whether or not it would be worth my time, and all praised *Stitch Stencil: Over 40 Easy Fabric-Based Projects*:

0 of 0 people found the following review helpful. Simple projects that don't take a lot of time to do.By D'NealChecked this book out of the library several times so decided to buy my own copy. Like the simple, easy-to-do, decorative touches.

Book by Coulson, Sheila, Brown, Tessa

.com Stitch Stencil proposes an intriguing approach: embellish stenciled designs on fabric with embroidery to achieve attractive home accessories that unite two seemingly unrelated yet very complementary crafts. The predominantly floral designs have a delicate, old-fashioned quality well suited to the cushions, curtains, bags, tablecloths, and pillowcase featured in the 35 step-by-step projects. There are complete templates for all the stencils and a stitch library explaining all the necessary embroidery stitches. Although none of the projects are terribly difficult, a number of the stencil designs require a deft hand to cut out the intricate details. --Amy Handy
