**Sue Spargo : Stitches to Savor: 2016 Wall-Art Calendar of Designs by Sue Spargo** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Stitches to Savor: 2016 Wall-Art Calendar of Designs by Sue Spargo:

3 of 3 people found the following review helpful. Sue Spargo does great work. No doubt about it. However, in calendar form, this is a one star at best. The calendar portion is a 3 inch square on the bottom right corner. No space to write anything on the date at all. Who thought that was a good idea for a wall calendar? Unfortunately, if it can't be returned when you open the plastic otherwise it would go back. 0 of 0 people found the following review helpful. It would be great as an art book - but not as a calendar. By Linda I really don't like saying "I hate it" because the artwork is beautiful. However, as others have said, the calendar portion is ridiculously small and there is no way to jot anything down. I didn't realize it would be like that. And even worse - I just realized that what I ordered is a year old calendar. No wonder my days were all off. I don't know that I've ever seen an out of date calendar offered before - and so I just didn't notice the year. So I am doubly disappointed. And now have to find a calendar for this year. Sue's work is magnificent - but this calendar is a major disappointment for me. 3 of 3 people found the following review helpful. For stitchers this is a glorious calendar. You are not purchasing it for the calendar, but for the pictures of Sue's work and it is gorgeous. I plan to gift several of my embroidery friends with one.

Treat yourself to a year of beauty as only Sue Spargo can stitch it! Long admired by quilters, the work of folk artist Sue Spargo is an exploration of texture, fabrics, and embellishments. Now, for the first time, her captivating pieces are yours to enjoy every day for an entire year with *Stitches to Savor: 2016 Wall-Art Calendar of Designs by Sue Spargo*, available from Martingale. Her creativity--the distinctive way she blends simple shapes, exquisite stitches, and diverse thread and fabric choices--shines through with each passing month. You'll want to slow the days to savor each amazing stitch! Enjoy rich, full-color photography that comes in so close, you'll find yourself running your hand across the pages--you can almost feel the texture of Sue's handwork. Featuring at-a-glance dates, the 12"-square calendar unfolds to showcase stunning 12" x 24" detailed photographs. Discover breathtaking stitcheries rendered in remarkable combinations of wool, cotton, and assorted embellishments.

Sometimes something as simple as a calendar can be so much more than a means of keeping track of the days. Every year we have an opportunity to decorate our walls with calendars that are full of lovely photographs of quilts. These calendars are appreciated by quilters everywhere as they are not only useful day trackers and help us stay organized but the quilts featured on the calendars provide inspiration and often times patterns for these featured quilts are included with the calendar. This year there is one very special calendar that is a "must have". Yes, I said a "must have" if you enjoy color, exquisite stitching and quilting. Martingale's *Stitches to Savor 2016 Wall-Art Calendar of Designs by Sue Spargo* is absolutely beautiful. Every day you will be able to enjoy folk-artist Sue Spargo's texture and depth found in all her designs. The calendar features photos of 12 of Sue's quilts plus the cover quilt. One of the best features of this calendar is that on the bottom of each page you will find an enlarged photo showing a section of the quilt in great detail. The dates are tastefully placed in the lower right hand corner of the page. This calendar is a feast for your eyes. You will want to spend time just looking at the work. The detailed photos provide an opportunity to see the stitching up close. This calendar is on the market now and would make a great gift item for yourself or someone you know. Pick up your copy now! --The Applique Society Newsletter, Sept/Oct 2015 You can enjoy the beautiful creations of Sue Spargo every day for an entire year! Sue's distinctive work is an exploration of texture, fabrics, and embellishments that makes her pieces captivating to quilters worldwide. Large close-up photographs show detail you can almost feel. --Fons Porter Love of Quilting, November/December 2015

**About the Author** Sue Spargo was born in Zambia and educated in South Africa before moving to England and then to the US. The sharply contrasting environments and cultures she has experienced are a rich source of inspiration for her designs. Sue is a prolific designer who enjoys leading workshops, traveling, and spending time with her children. Visit her at [SueSpargo.com](http://SueSpargo.com).
