Follow five simple steps to make any of these beautiful strip-pieced quilts! The same sequence of steps leads to a wide variety of styles, from traditional treasures to art quilts. Thirteen patterns range from beginner-friendly Rail Fence blocks to designs that will challenge skilled quilters. Just cut strips, sew them together, cut them into shapes, play with the shapes until a design you like emerges, then sew them back together. Covers cutting strips and making strip sets, plus how to cut 60 and quarter-square triangles, oblique squares, and more.
